## Automation & Controls Product Offerings

A Company in Motion

Programmable logic controllers, variable frequency drives, operator interfaces, motion control systems, computer numerical controls, uninterruptible power supplies, industrial robots, servo amplifiers and motors

Servo motors, drives and controls

Leading suppliers of electrical control products, circuit breakers, motor controls, and power distribution equipment

Safety relays, surge protectors, plug connectors, power supplies, and terminal blocks

Electronic and optical connection, transmission, networking and software creation

Information control systems, substations, factory automation, and electronic devices

Your partner from the switch board... via the interface... passive or active into the field

Electrical Interconnections and decentralized automation technology

Counters, timers, encoders, and controllers

Marquee and HMI solutions

The world's leading provider of vision systems, vision software, vision sensors and surface inspection systems used in manufacturing automation

Quality and Innovation

High precision electrical actuators and controls, Scara robots

Specialized electro-mechanical solutions in weld cell and assembly operations

Rodless and rod type servo electric actuators and servo weld guns

Proximity switches, photoelectric sensors, mechanical limit switches, linear position transducers, identification systems

Technology leader in safety, factory automation, and process automation

The Industrial Erector Set®

T-Slot aluminum extrusion and fastening hardware

Xycom industrial pc's, flat panel monitors, operator interfaces, and controllers

Excellence in Motion™

High performance motors, drives and controllers that are small, powerful and inexpensive

A full line of electronic racks, small enclosures, full size electrical enclosures, and power bars

### Accessory Lines

Apex Dynamics, ATC, Austin, Bishop-Wisecarver, Canfield Connectors, Eagle Signal, Electro Corp., GEMS, Micron, Migatron Corp., Sensotec, Unitronix, World Wide Motor, and Weg

## Leaders in Industrial Automation

### MOTION CONTROL

#### Servo Motion Control

- Mitsubishi
- Tolomatic
- Danaher
- IMS

#### Robots & Positioning Systems

- Intelligent Actuator
- PHD
- Danaher
- Bishop-Wisecarver

#### Feedback Devices

- Balluff
- Danaher
- SICK
- Stegmann

### INDUSTRIAL AUTOMATION

#### PLC's

- Mitsubishi
- WAGO
- Cutler-Hammer

#### Drives & Motors; Servo & VFD

- Mitsubishi
- Danaher
- Cutler-Hammer
- IMS
- Marathon

#### Fieldbus I/O

- Phoenix Contact
- Wago
- Balluff
- Mitsubishi
- Murr

#### Power & Control

- Cutler-Hammer
- Hammond
- Fuji Electric

### SAFETY & SENSORS

#### Safety

- Mitsubishi Safety PLC
- SICK
- 80/20 Guarding

#### Sensors

- Balluff
- Cutler-Hammer
- SICK
- Cognex

#### Vision & Lighting

- Cognex

#### Connectivity

- Murr
- Phoenix Contact
- WAGO
- Harting
- Balluff

### INDUSTRIAL DATA SOLUTIONS

#### Ethernet Solutions

- Phoenix Contact
- Harting
- WAGO
- Mitsubishi

#### RFID & Bar Code

- Balluff
- Cognex
- SICK

#### Wireless

- Phoenix Contact

#### HMI's & Industrial Computer's

- Pro-Face
- Mitsubishi
- Phoenix Contact
- Cutler-Hammer
- Unitronix
- Exor
- Fuji Electric
